

Purpose Statement

Technical Track Work Group

- To:** Fulfill the technical information and data needs of the Spokane River Regional Toxics Task Force (SRRTTF) as requested.
- In a way that:**
- Allows for a common level of understanding on technical issues by all the members of the SRRTTF.
 - Is responsive to the technical needs of and the direction provided by the SRRTTF.
 - Provides work plans and other deliverables that are consistent with the direction provided by the SRRTTF.
 - Provides data and assessments of that data in a form that can be used by the SRRTTF for planning of subsequent work efforts.
- So that:** The SRRTTF can develop a comprehensive plan to make progress towards achieving the PCB water quality standard for the Spokane River.
