[Title]

[Body]

The Spokane Regional Toxics Task Force are governmental agencies, private industry, and environmental organizations collaborating and leading efforts to find and reduce toxic chemicals in the Spokane River and Lake Spokane. We are working together on a new approach that identifies pollution, directly applies a plan to stop it, which results in immediate improvements to the river.

Participating organizations: Avista, Environmental Protection Agency, City of Spokane, Inland Empire Paper, Kaiser Aluminum, Lake Spokane Association, Liberty Lake Sewer and Water District, Spokane County, Spokane Regional Health District, Spokane RiverKeeper, The Lands Council, Washington Department of Ecology, and Washington State Department of Health.
