ACTION ITEM: Aubri Denevan to work with Dave Moss/Tricia Poitevint (Liberty Lake) for the Task Force room reservations for July through December

Review of LimnoTech Tasks

Bud reported on the call with David Dilks to review status. Task #1 is done, Task #2 memo was issued, task complete, #3 standard operating procedures review of Task Force members – Bud passed out the draft memo (Bud wants to take this to the June meeting for their review & approval). Everything is on schedule now. He talked to David Dilks about meetings and sampling. Until the assessment is done they won't need to make another trip out here. What they would like to do is at the July task force meeting is a chunk of time and go over monitoring objectives. He suggested that we hold the entire day for this purpose.

ACTION ITEM: Bud Leber to supply 1) copy of report 2) draft memo from LimnoTech, Task 1-5 status to add to the meeting post on the website.

ACTION ITEM: Workgroup to review the draft Standard Operating Procedures Memo (Task 3) and provide comments to Bud Leber by June 12th.

ACTION ITEM: Bud Leber to confer with LimnoTech and provide a revised version for posting to the website by June 19th.

ACTION ITEM: Bud Leber to request LimnoTech attend the July 24th SRRTTF meeting. There is nothing else on the agenda at this time so the majority of the time can be spent on this item.

DECISION for SRRTTF: Is Task 3 complete?

Center for Environmental Research and Outreach (CEREO)

CEREO will be invited to the next work group meeting on July 3rd. Adriane has been looking for areas on the project documents that the Task Force might be linked.

ACTION ITEM: Kelsey Gray to Invite CEREO to the next work group meeting. Include Joe Vaughan and Brian Lamb to discuss atmospheric deposition interests.

ACTION ITEM: Adriane B to begin planning for atmospheric deposition studies: invite Ecology, WSU, Spokane Regional Clean Air agencies for a discussion meeting (after the July WG meeting).

Spokane River Basin Toxics Sampling and Research Interest Inquiry

Arianne Fernandez drafted the interest inquiry. It would be sent to college groups. Training could come from Limno Tech or Ecology. The Research Interest Inquiry memo will go out now. After Limno Tech finalizes their memo and plan then interested folks will be contacted at that time.

Rob Lindsay reported the local community colleges are looking forward to the piece that Arianne's putting together. He's meeting with the community colleges and finding that they have a high interest in participating.

ACTION ITEM: Send comments on the draft to Bud Leber by June 12, 2013.

ACTION ITEM: Bud Leber to forward comments to Arianne Fernandez, who will prepare final draft by June 19th, 2013

DECISION for SRRTTF: SRRTTF approval of the document at the June 26, 2013 meeting.

TSCA Regulatory Reform

ACTION ITEM: Discuss at the June 24th SRRTTF meeting. This should be a more coordinated effort.

ACTION ITEM: APB to share the link with the economic tools with the phone attendees. (COMPLETE)
