Visitor parking permits provide parking for most permit areas when permits are required. The cost of a daily Visitor Permit is \$5.75, plus tax.

Convenient Garage Options

Central Campus Parking is available 24 hours a day in the Smith Center Garage and the Terrell Library Garage. The Smith Center Garage is located just off Stadium Way near the Fine Arts Building in the middle of campus. To access the Terrell Library Garage, turn left from Stadium Way onto Colorado Street, just past Smith Gym, is the booth entrance on the left. These garages are available 24 hours a day on a payment-basis. If the cashier is not on duty, pre-purchase a parking permit from the permit vending machine located at the entrance to the parking garage. Please display this permit on the lower left hand (driver's side) corner of your windshield.
